

JOIN US FOR THE HELEN F. McDONALD MEMORIAL GOLF CLASSIC!

As the Chapter of The Arc New York in Essex County, the history of Mountain Lake Services is one of evolution, expansion, and individual focus.

Through the determined efforts of people like Ms. Helen F. McDonald, Mountain Lake Services (formerly Essex County Arc) first opened the doors to a workshop providing services to a handful of people in 1974.

Since that time, the agency has grown to serve around 500 people, providing residential services, day habilitation, supported employment services, early childhood intervention, and much, much more.

This golf tournament is your chance to honor the memory of Ms. McDonald, have fun, and help us make a difference in the lives of people with developmental disabilities.

The Mountain Lake Services Foundation helps to support the needs of individuals with disabilities by assisting families in our communities, funding assistive technology needs, providing scholarships to area students interested in the Human Services field and much more.

*Show your support by partnering with people of all abilities
to live their very best lives.*
